

SEE THE DIFFERENCE

**SolarFix**[®]
PTFE THREAD

**Sew better.
So happy.**

FOR BEAUTIFUL SEAMS

SolarFix® PTFE Thread

The Top Choice in PTFE Thread

Guaranteed to Last

Backed by a written warranty, SolarFix® is guaranteed in writing to outlast the life of the fabric it is sewn into. It will not degrade over time due to UV sunlight or chemical exposure.

Unbeatable Sewing Performance

The unique construction of SolarFix® allows for smoother sewing and improves the aesthetics of the seam and stitching.

Color Fastness

The unique dye process of SolarFix® prevents colors from fading and migrating into vinyl.

Variety of Sizes

SolarFix® is available in a variety of sizes suitable for any application. It is also available in black or clear pre-wound bobbins in styles 'M' & 'U'.

The Clear Choice

SolarFix® Clear blends in with a variety of fabric colors and styles.

Strength Comparison After UV Exposure

THAT LAST

Make a Statement

With a rising interest for contrast stitching in the outdoor markets, SolarFix® offers the guarantee of a reliable product with impeccable aesthetic qualities without the risk of fading or color transfer. Create the look of a bold, contrast stitch with SolarFix®.

Set Yourself Apart

Thread may be a small part of the job but it can make a big difference in years to come. Upgrading your product allows your customers to have the confidence that their seams are built to last.

Support You Can Rely On

The relationships we develop start with really understanding our customer's needs. Whether you have a general thread question or are looking for marketing support, we are proud to serve you.

Limited Lifetime Warranty

The Quality Thread & Notions Company's (QTN) SolarFix® PTFE* sewing thread, will be delivered free from defects in material and workmanship and will not be significantly damaged by exposure to UV rays, airborne chemicals, or water during the usable lifetime of the sewn fabric.

This warranty shall only apply to end products using SolarFix® PTFE thread exclusively. This limited warranty does NOT apply to failure caused by abrasion, cuts, fires, improper sewing or to PTFE used in boat sails.

In event of a failure covered by this warranty, The Quality Thread & Notions Company will:

- Replace the thread which failed to meet this warranty or will refund the purchase price of the defective thread, and
- Pay an authorized fabricator for the reasonable and customary expense to re-stitch any article that was entirely sewn with SolarFix® PTFE.

This Limited Lifetime Warranty is the only warranty issued by QTN. This warranty only applies to the original purchaser. In addition, this warranty only applies to an end product entirely sewn with **SolarFix® PTFE thread**. This warranty does **NOT** cover costs incurred in the removal, transportation, or reinstallation of the end-product.

QTN SHALL NOT BE RESPONSIBLE FOR ANY INCIDENTAL AND/OR CONSEQUENTIAL DAMAGES UNDER THIS LIMITED WARRANTY.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from state to state.
